Coverage, dates and image assets

## Coverage

All 42 university entries in the Study Australia national list. Each university appears once; listed towns/cities may show selected campuses. Adelaide University appears under its current identity.

## Data dates and practical limits

Study Australia / Austrade national list accessed on 6 October 2026. Cities are selected campus locations, not a guarantee that every subject is offered at every campus.

## Logos and brand icons

Institutional logos, seals and compact website brand icons are reproduced for identification. A website icon is used where a full logo was not available. Images may differ from an institution's newest brand guidelines. Inclusion does not imply endorsement.
