Sources & directory notes

Coverage, dates and image assets

Coverage

Republic of Ireland only; Northern Ireland is covered in the UK directory. Includes traditional and technological universities, a university system/awarding body, a pontifical university and a separate appendix of specialist institutions. Specialist colleges are not all universities.

Data dates and practical limits

Names and institution profiles follow the 2026 directory, with RCSI displayed as RCSI University of Medicine and Health Sciences. The National University of Ireland system is a separate listing; it should not be counted as an additional standalone teaching university.

Logos and brand icons

Institutional logos, seals and compact website brand icons are reproduced for identification. A website icon is used where a full logo was not available. Images may differ from an institution's newest brand guidelines. Inclusion does not imply endorsement.
